

Amendments to the Drawings:

The attached replacement sheets are formal drawings that are included to replace the informal drawings that were submitted when the application was originally filed. The Applicant submits that the formal figures address the objections raised in the Notice of Draftperson's patent drawing review. The Applicant submits that no changes have been made in the formal drawings that are not supported by the drawings as originally filed.

Attachment: 7 Replacement Sheets

REMARKS

This paper is in response to the Notice of Non-Compliant response which indicated that in the previous submission, the drawings were not properly identified in the top margin as "Replacement Sheet" as required by 37 C.F.R. 1.121 (d).

Accordingly, the Applicant now includes replacement sheets with the proper identifier: "Replacement Sheet".

Conclusion

In view of the foregoing, the Applicant respectfully submits that the application is now in condition for allowance and requests that a timely Notice of Allowance be issued in this case. If the Examiner feels that a telephone discussion would be helpful to resolve any issues, he is respectfully requested to contact the undersigned.

Respectfully submitted,
